The flap over its flag revolves around a circular symbol for the sun, adopted in 1925 and ironically used to honor the very Native American people it now offends: the Zia (ZEE-ah). For 10 points apiece:

1. Which state, whose flag is primarily yellow, honoring the flag of Spain, which had ruled it until the 19th century?

ANSWER: NEW MEXICO

2. What southern state adopted a new flag in 2003 after years of controversy over removing any overt reference to the Confederate flag?

ANSWER: GEORGIA
